

JUL - 7 2005

The Honorable Jennifer Granholm
Governor of Michigan
Governor's Office
Post Office Box 30013
Lansing, Michigan 48909

Dear Governor Granholm:

It is with pleasure that I respond to the State of Michigan's request for a waiver of statutory and regulatory requirements under the Workforce Investment Act (WIA). This action is taken under the Secretary's authority to waive certain requirements of WIA Title I, subtitles B and E and Sections 8-10 of the Wagner-Peyser Act. In the Strategic State Plan for Title I of the Workforce Investment Act and the Wagner-Peyser Act for the two-year period, July 1, 2005, through June 30, 2007, the state submitted a request for an extension of a waiver. The request is written in the format identified in WIA Section 189(i)(4)(B) and 20 CFR 661.420(c), and appears to meet the standard for approval at 20 CFR 661.420(e). The following is the disposition of the state's waiver submission (copy enclosed).

The state is seeking an extension of the waiver of the time limit on the period of initial eligibility, at 20 CFR 663.530, to continue to administer the Individual Training Account Tiered Provider System demonstration project in the Thumb Area for the duration of the state's Strategic Plan. The state indicates that this extension will help address the continuing difficulties in collection of "all student" information from training providers. Without an extension, the state is concerned that many training providers are likely to opt out of the Eligible Training Provider system, thus limiting customer choice. Accordingly, the State of Michigan is granted an extension of the waiver, through June 30, 2007. This waiver permits the Thumb Area to continue to administer the training provider demonstration project.

As provided for under paragraph 3 of the executed Agreement, the approved waiver is incorporated by reference into the state's WIA Grant Agreement. A copy of this letter should be filed with the state's WIA Grant Agreement and the state's Strategic Plan, as appropriate.

We look forward to continuing our partnership with you and achieving better workforce investment outcomes. We are prepared to entertain other state and local-level waiver requests that you may wish to submit, consistent with the provisions of the WIA statute and regulations.

Sincerely,

Emily Stover DeRocco
